

Dear Parents:

Hillcrest 696-4645

It's February! The month that is all about caring and being kind to others as Valentine's Day is almost here.

Activities are always fun for the kids, and this month's ideas will be themed around February's two holidays. Three examples of activities for this month are: Heart Bingo, Tie Dye Coffee Filter Hearts, and a President's Day Craft.

Science experiments are still a hit. Therefore, I will be looking for even more exciting ones for the students to see and try. Examples for the month include President's Day Pennies and making scented Playdough.

Important days to note this month include:  
February 14<sup>th</sup>, Valentine's Day,  
February 16<sup>th</sup>, Full day (teacher comp day)  
February 19<sup>th</sup>, President's Day, NO G.A.P.

A sign-up sheet for the 16<sup>th</sup> is on site for those that need care. The site location is still to be determined. I will be gone from February 20<sup>th</sup> through February 22<sup>nd</sup>, and our staff will be in charge during my absence.

Due to the cold and snow we ask that you please pack the students some extra clothing as their gear can get wet from the earlier recess. If you have any questions, comments, concerns, or ideas please feel free to let Jan or I know, and we will be happy to help out in any way possible. We hope that everyone has an excellent month.

Sincerely,

Kory Kinter – Hillcrest Site Supervisor
